Thank you for your interest in United Staffing Solutions, Inc. We welcome you to review the following materials on our company; and appreciate your considering us for assisting you with your Medical Staffing needs. To give you a brief history, USSI has over twenty-five (25) years of combined experience in this industry, and we attribute our increasing success and ability to perform our operations professionally and effectively to the individual experiences, expertise, and contributions that everyone in our organization possesses; in addition to the quality of nurses and Healthcare Professionals that we are proud to associate with our organization.

We have an excellent group of candidates ready to start working at your facility should you decide to utilize our services; as we are a prominent provider of both Travel and Per-Diem nurses and other Healthcare Professionals throughout Southern California. Additionally, we have a branch office in Detroit, Michigan; and sponsor immigration services from various areas.

As an anesthesiologist, and the President & CEO of USSI, our management's leadership realizes the importance of providing quality services to our Client hospitals; as well as understanding the cost effectiveness and needs of such services. We take pride in the quality of nurses we provide to our Client facilities, and take whatever measures are necessary to ensure their success; and we can proudly say that our rate of "DO NOT RETURN" is one of the lowest in the industry.
